MONTHLY E-NEWSLETTER

AN EYE-OPENING EXPEDITION TOWARDS UNDERSTANDING BUDGET 2019-20

R. KRISHNAMOORTHY. Ph.D-19TH FEBRUARY

Department of Management Studies, New Horizon College of Engineering had organized a workshop on 2019-20 Budget for the students of 2nd semester MBA in Chanakya Seminar Hall. Mohita, a student from the MBA department set a beginning to the workshop with a brief introduction about the guest, R. Krishnamoorthy. The guest embarked on the topic of the Budget system in the country with a story about Hitler. With the story, the guest accentuated the fact that the budget is forced on people who lack complete knowledge about it. Further, he gave students brief information about the difference between budget in the fiscal economy and the deficit budget. He stated that the Deficit budget is a virtue which will accelerate economic growth.

22nd Feb'2019

”

A group of 175 students visited this foundation along with visiting the ISKCON temple. It was a great experience visiting foundation, as we were enlighten about such a great foundation, which works in development of the Society.!

BOMAN IRANI AND SWAMI MUKUNDANANDA MEET TO INSPIRE COLLEGE YOUTH IN BANGALORE

Equipping college students with the tools for success in life is more than mastering sciences and engineering. To add the missing ingredients, New Horizon College of Engineering in Bangalore exposed the students to another important technology. On February 19th, from 1:00 to 3:00 pm, the college hosted Swami Mukundananda, an international authority on mind management, along with one of Bollywood's own, Boman Irani.

JKYog, the non-profit founded by Swami Mukundananda, presented the JKYog Inspiration Award to Boman Irani during the program in recognition of his positive example of overcoming challenges in life and his efforts to inspire others to achieve happiness. "I am honored not only to be recognized for my efforts and achievements but to have been able to meet Swami Mukundananda who clearly has a tremendous depth of knowledge."

The two renowned personalities
came together to discuss
happiness and the tools for
success in life on 22nd February
