Outbound Training

Department of Management Studies, NHCE organized an Outbound Training on 23rd and 24th of November 2021 at Ecumenical Christian Centre (ECC) Whitefield, Bangalore. In order to impact learning of individual along with the team, classroom sessions on Professionalism, Leadership, Effective Communication, Mentoring and Skill Development were held. The sessions aimed to deliver learning through experience were along with the classroom sessions, outdoor activities and cultural activities were also held at ECC, whitefield.

Sessions on SWOT Analysis and importance of soft skills, stress management, body language, voice modulation, introvert and extrovert, presentation and interpersonal skills, time management and problem solving were addressed. This stimulation based learning helped students to think out-of-box, take initiative, team work, quality of work, timely completion of tasks and overall capabilities.

The training entails engaging students in collaboration, innovation and productivity, developing team strategies for getting better results, building trust and ownership, motivating

others by using complementary skills. It was indeed a great experience as it helped students to develop confidence, team spirit, understanding themselves and others, personal development and building a positive attitude.

We thank Dr. Sheelan Misra HOD of management studies and all the faculty members for organizing outbound training which was a great experience as it accelerated a change from closed classrooms to outdoor experience, were it helped each student prepare to accept greater challenges and responsibilities in the corporate world.

Alumni Talk

On 25th November 2021 Department of Management Studies, NHCE organized an Entrepreneurship Development program for the students of 3rd sem MBA. It was indeed a very informative and good take back session of entrepreneurship development program where

both the speaker put up their thoughts, ideas, real life experiences and situations in a very beautiful manner.

The outreach program was organized with an aim to reach out to the students of village and provide them guidance in related to both co-curriculum and extra curriculum by conducting few activities and events where they were engaged and enthusiastic in taking part and performed their best.

The program was well co-ordinate and thoughtful gesture of planning for and organizing such a memorable event for the in-mates of the school.

UBA Free Eye Camp

The Department Of Management Studies of NHCE and Unnat Bharath Abhiyan organized a Free Eye Camp at Rampura Village in Association with Sankara Eye Hospital on 30th November 2021.

A team of specialized eye doctors and volunteers was present to assist the people of the village and provide them with the systematic and safe eye check up. The initiative to conduct this camp was very useful for the people of village and gets their eye checked by the experts on site.

Photography Workshop- Photo and Film Club, NHCE

On 17th November 2021 Photo and film club, NHCE organized a workshop on photography. It's an interactive session about cameras and photography with Shrinath Sreekumar, An Alumni and Senior Cinematographer at unacademy. It was an interesting session with active participation.

A camera friendly workshop for encouraging and enlighten the photography techniques, skills in the interested ones. All the participants clarified their doubts and had a valuable discussion about cameras.

karnataka Rajyotsava Celebration

Rajyotsava day is celebrated with great joy and vigor all over the state of Karnataka. The entire state wears a festive

look on this day as the red and yellow Kannada flags are hoisted at different strategic locations across the state and the Kannada anthem "Jaya Bharatha Jananiya Tanujate" is chanted. The flag is hoisted at political party offices and several localities even as youth in many areas take out processions on their vehicles. Religion not being a factor, the Rajyotsava is celebrated by Hindus, Muslims and Christians as well.

On 18th November 2021 New Horizon College of Engineering organized Karnataka Rajyotsava. The students exhibited the rich culture and traditions of Karnataka.

The students performed a special art form of Karnataka: Yakshagana, Bhootakola and Huli Vesha to remark the celebration of Karnataka Rajyotsava. The faculties and students had loads of fun and enjoyed the celebration.

New Horizon College of Engineering wishes Very Happy Karnataka Rajyotsava.
