ONE-DAY MANAGEMENT DEVELOPMENT PROGRAMME (MDP) ON BUSINESS ANALYTICS & INTELLIGENCE -UNLEASH THE POWER OF DATA

Date: 22nd December 2023, Friday

NEW HORIZON COLLEGE OF ENGINEERING (NHCE)

New Horizon College of Engineering is an autonomous college affiliated with VTU, accredited by NAAC with an 'A' grade and NBA. It's a certified college with ISO 9001:2008 and ranks amongst the top engineering colleges in India. NHCE was awarded the "Most Preferred Institute for Providing Global Exposure" award and is recognized as an "Excellent" college under the Atal Ranking of Institutions on Innovations Achievement (ARIIA) 2021 ranking.

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies offers a 2-year full-time MBA program with dual specializations. It is an approved research center for a Ph.D. in Management. The department has won several awards, including "B-School providing "Preferred Environment for Campus Placements" and "Best B-School in India-South". It strongly believes in increasing human capital through education and training.

ABOUT MDP:

The Management Development Program (MDP) on Business Analytics, titled "Business Analytics & Intelligence-Unleash The Power of Data" is specifically designed for business professionals and faculty who specialize in teaching business analytics courses. This MDP is a career-enriching program that offers comprehensive theoretical and practical training in data management, HR Analytics, Data visualization, and business applications. The program schedule is designed to optimize the learning experience while minimizing disruption to professional responsibilities. Our hands-on and rigorous program aims to strike a perfect balance between theory and technology-aided learning.
