Brief Description	<p>The Department of Management Studies, New Horizon College of Engineering, in collaboration with Unnat Bharat Abhiyan (UBA), successfully organized a Free Eye Camp for the villagers and government school children of Cheemasandra Village. The initiative aimed to promote eye health awareness and provide necessary medical assistance to those in need.</p> <p>A team of qualified ophthalmologists and healthcare professionals conducted comprehensive eye check-ups, vision screenings, and consultations for villagers and students. The program also included an awareness session on eye care, preventive measures, and the importance of regular check-ups.</p> <p>This initiative is part of NHCE's continuous efforts to contribute to community welfare and rural healthcare development, reinforcing its commitment to social responsibility under UBA. The event witnessed active participation from faculty, students, and volunteers, making it a meaningful step toward improving healthcare access for underprivileged communities.</p> <p>Participation: Over 100 students and villagers received expert medical advice and vision care from the camp. Additionally, free vouchers were distributed, allowing up to three family members to avail of vision care services at partner clinics for further consultation or treatment.</p> <p>Healthcare Professionals: 3 ophthalmologists and healthcare workers volunteered their services. MBA Department Volunteers: 52 MBA students and 2 faculty members actively participated in organizing and conducting the camp.</p>
