

<b>Title</b>	Unique Domain Workshop -VAP – HR WORKSHOP	
<b>Department</b>	Department of Management Studies	
<b>Date</b>	17.07.2025	
<b>Time</b>	9.00 AM – 4.00 P.M	
<b>Brief Description</b>	<p>Department of Management Studies hosted the Unique Domain HR Workshop, tailored for HR specialization students.</p> <p>This experiential session focused on empowering participants with data-driven, people-centric HR strategies. Students developed proficiency in performance coaching, conducting feedback sessions, and navigating challenging conversations. They acquired the ability to interpret workforce data, craft business cases for HR initiatives, and visualize predictive insights aligned with organizational goals.</p> <p>The workshop also explored ways to measure employee engagement, minimize attrition, and design effective wellness programs using metrics like Net Promoter Score (NPS) and retention ratios. Ethical AI application in HR and transparent practices for building employee trust were key discussion points.</p> <p>Attendees left with hands-on tools such as dashboards and survey templates, along with enhanced skills in structured feedback delivery, strategic coaching, and data-backed HR decision-making -all of it contributing to the improved alignment of HR strategies with business performance.</p> <p>.</p>
