

Title	Industrial Visit to Volvo CE India Pvt Ltd	
Department	Department of Management Studies	
Date	04.07.2025	
Time	07.30 AM – 3.00 PM	
Brief Description	<p>On July 4th, 2025, the Department of Management Studies organized an insightful industrial visit for the MBA IV Semester Operations students to Volvo Construction Equipment India Pvt. Ltd., Bangalore – 560058.</p> <p>Volvo CE is a global leader in the design and manufacture of a comprehensive range of construction machinery, renowned for its commitment to quality, performance, and safety. With a robust product portfolio and technological excellence, Volvo CE continues to set benchmarks in the industry. Notably, the company is also the Official Track Building Partner of the FIA World Rallycross Championship, reflecting its precision engineering and global impact.</p> <p>During the visit, students were privileged to interact with Mr. Laxman (Head of Production) and Mr. Raghu (Lead Operations), who conducted an enlightening session on operational excellence. The discussion covered transformative methodologies such as the 5S process, Kaiben, Kaizen, and Six Sigma, emphasizing how cutting-edge practices drive quality enhancement and waste minimization.</p> <p>The students also gained practical exposure to warehouse management operations, including a guided walkthrough of the storage facility. This hands-on experience gave them valuable insights into inventory control, logistics efficiency, and lean practices deployed at Volvo CE.</p> <p>The visit was not merely educational—it was inspiring, offering students a glimpse into real-world applications of operations strategies and encouraging them to think innovatively about supply chain optimization and process improvement.</p>
