#### **Brief Description of the Event**

An alumni talk was conducted on the topic “Learning Beyond Syllabus: From Classroom to Career” to provide students with practical insights into industry expectations and career readiness. The session was delivered by Ms Preeti Bhaskar, Senior Associate – HR, Velocis Systems Pvt. Ltd., an esteemed alumna of NHCE, Department of Management Studies.

Ms Preeti Bhaskar emphasised the importance of holistic learning beyond academic textbooks. She highlighted how classroom concepts form a foundation, but genuine career growth depends on practical skills, adaptability, communication ability, and continuous self-learning. Drawing from her professional experience in human resources, she explained current industry expectations relating to employability, workplace ethics, teamwork, and professional attitude.

She also guided students on career planning, CV building, interview preparedness, and the importance of internships and certifications. Ms Preeti stressed that students should actively develop soft skills such as problem-solving, emotional intelligence, and time management to succeed in the corporate environment. She encouraged students to remain proactive, curious, and open to learning from real-world experiences.

The session was highly interactive and motivating. Students gained valuable insights into bridging the gap between academic learning and professional requirements. The talk successfully inspired students to prepare themselves for future careers with confidence and clarity.
