

## Parent-Teacher Meeting (PTM) Report

**Date:** 31<sup>st</sup> Jan 2026

**Time:** 10:30 AM

**Mode:** Offline

**Course:** MBA

The Parent-Teacher Meeting (PTM) for MBA students was conducted successfully on 31<sup>st</sup> Jan 2026 at 10:30 AM in an offline mode. The PTM served as an important platform for interaction between faculty members, parents, and students with the objective of reviewing academic performance, placement updates, examination details, and co-curricular progress. The meeting reflected the institution's commitment towards fostering transparency, accountability, and collaboration in the holistic development of students.

The PTM was hosted and coordinated by Prof. Ankita, who managed the session effectively and ensured smooth proceedings. The meeting began with a welcome address by Dr. Rosekavitha, Head of the Department (MBA). She emphasised the importance of PTMs in aligning academic goals, supporting student performance, and maintaining strong communication between faculty and parents.

Prof. Sheshu provided detailed insights into the examination framework. He discussed: Internal evaluation methods including Continuous Internal Evaluation (CIE). Preparation strategies for upcoming end-semester examinations. Analysis of student performance trends from recent assessments. He assured parents that remedial measures and mentoring sessions are being planned for students requiring additional support.

Prof. Rajat, Placement Coordinator, briefed the parents about the ongoing placement initiatives. He provided updates on Current campus recruitment drives.

Placement training sessions focused on soft skills, aptitude, and group discussions. Tie-ups with leading companies and upcoming summer internship opportunities.

Parents were assured that consistent efforts are being made to enhance student employability.

Prof. Shalini, Contineo Coordinator, presented details of the Contineo programme. She explained that Contineo acts as a continuous learning and development platform, offering:

- Workshops, guest lectures, and industry interactions.
- Case study competitions and experiential learning activities.
- Opportunities for students to showcase talents beyond academics.
- Parents appreciated the initiative as a value-added support system for student growth.

All MBA faculty members actively participated in the PTM. They interacted with parents, addressed student-specific academic concerns, and provided individual feedback where required.

Faculty also highlighted student involvement in research activities, projects, and co-curricular programmes.

### **Parent Interaction and Feedback**

The session also included an open forum for parents to share their observations and suggestions.

- Parents appreciated:
  - The hybrid mode of PTM enabled wider participation.
  - Transparent communication regarding academics, placements, and activities.
  - The institute's efforts in skill-building and holistic development.
- Suggestions from parents included:
  - More frequent academic updates through structured communication channels.
  - Additional career guidance workshops with industry experts.
  - Greater focus on time management and discipline among students.

### **Outcomes**

- Strengthened collaboration between faculty and parents to support student growth.
- Clear communication regarding placement opportunities, Contineo programmes, and examinations.
- Faculty acknowledged parent feedback and assured more frequent academic monitoring and reporting.
- Decision to conduct regular PTMs in hybrid mode to ensure maximum participation.
- Enhanced mutual trust and understanding between parents and the institution, reaffirming commitment towards student-centric development.

The meeting concluded with a vote of thanks by the PTM Coordinator, Prof. Ankita, appreciating the active participation of parents and faculty members. The session was interactive, productive, and reaffirmed the importance of parent engagement in strengthening the academic journey of MBA students.

The PTM served as a valuable forum to share updates, receive constructive feedback, and plan action-oriented steps for the overall success of students in academics, placements, and co-curricular domains.
