## Action taken Report on Stakeholder's Feedback

Institution collects stake holder's feedback for PG programs. The educational process culminating in a degree of the student is dynamic and constantly evolving between stakeholders. It is therefore, Feedbacks from students, Alumni and employer are

considered for continuous improvements in curriculum and other academic aspects. The ultimate goal of stakeholder's feedback is to get useful insights for the purpose of improvement in all aspects of teaching, learning, assessment and infrastructure facilities. Inputs collected from all the stake holders are analyzed and carried forward in Board of Studies (BoS) for approval. After getting approval in BoS, the curriculum with the incorporation of recommended changes if any is sent to Academic Council for their final endorsement. The following structure describes the significance of stakeholders for the development.

### **1. Student Graduate Survey Feedback:**

➤ Inputs from the graduating students on design of curriculum, services extended incorporation of novel teaching technologies and their overall experience related to facilities and educational resources. However, graduating student will be submitting their overall impression related to institute and this feedback is collected.

### **2. Alumni's Feedback:**

➤ Alumni are considered as the ambassadors to the outside world. They are in a position to evaluate the extent to which the programme is effective in achieving the desired objective. As an alumnus they share their experience and participate in curricular updates in view of emerging technologies and tools.

➤ Alumni survey is conducted, through which suggestions are provided to design syllabus which makes the students industry ready and well prepared towards competitive examinations.

### **3. Employer Feedback:**

➤ Employer feedback helps in enriching the program with industry relevant courses (Electives) which enable bridging the gap between the program curriculum and industry requirements.

In view of identifying the gap in the syllabus as per the requirement of various stakeholders, the Department has taken feedback on curriculum from various stakeholders. Suggestions like more smart and experiential leaning and approach to competitive exams, relevant to the framing of the syllabus of various courses were consolidated and discussed in BOS meeting. Since few courses are multidisciplinary, faculties from various departments are actively participating in the syllabus restructuring process, as being members of Board of studies. These suggestions were communicated to the chairman of the board for the proper redressal of suggestions.

Following actions were prominently taken,

1. Few emerging specializations like Business Analytics and Operations have been introduced.
2. More Outbound industrial trainings, value added course and workshops are been conducted.
3. Expert guidance lecture, Soft skill training, Aptitude training and carrier guidance lecture are conducted on different topics to inculcate interest in subjects.
