

NEW HORIZON COLLEGE OF ENGINEERING

A REPORT ON TRIBAL COMMUNITY DONATION CAMP

New Horizon College of Engineering NSS Club in collaboration with Rotaract Club organized a donation camp for tribal community on 10th to 13th January 2022. As we all know our college NHCE had adopted over 100+ tribes in the Bandipur and Kabini forest areas, we took this opportunity to come forward and lend a hand in ensuring them a better life and improved living conditions. Every human, be it an adult or a child, deserves to live their life with basic essentials and facilitates and this is what we are hoping to give them through this camp.

The camp started on 10th January 2022 at 9:30am. The donors were already queued with their donations as they were informed about the camp in advance. The teaching and non-teaching staff along with students has come forward to make a difference. They donated clothes, shoes, play equipment, bags and many more things. In all, we were able to collect 1000+ units of essential commodities for our donors. These valuable units will go a long way to the tribal communities of Bandipur. Our camp went on till the 13th of January 2022 with the same enthusiasm as the day it started. On the evening of 13th we were all set for the segregation as it would be easier for the distribution. The donations are segregated and packed in the following categories.

Age 1-5 years (kids)	Shirts, Pants, Winter wear, Caps
----------------------	----------------------------------

Age Group	Women	Men
6-10	Shirts, Pants / Jeans, Salwar suits, clutches	Shirts, T-shirts, Pants / Jeans, Shoes
11-15	Salwar suits, clutches, Shirts, pants/ Jeans, clutches	Shirts, T-shirts, Pants / Jeans, Shoes & Bags
16+	Sarees, Sandals, Salwar suits, clutches, hand bags.	Shirts, T-shirts Pants / Jeans, Shoes/ Sandals, Bags

All the items donated were washed and are in good condition.

Kudos to the NSS Unit Cell, NSS Club and the Rotaract Club of New Horizon College of Engineering (NHCE) has organized the camp.

Special thanks to Dr Anita S Rai - Dean & Library and Alumni Relations, Sir Hanamant Yaragudri - Senior Assistant Professor and NSS program officer and NHCE Management for accepting our request and giving us the premise to conduct this camp.
