Feedback - Health Awareness / Entrepreneurship & Skill Development Programme

Name of Student	Batch / USN	The visit helped me understand the educational and social challenges faced by rural government schools.	The activities conducted during the visit (interaction with students, awareness sessions, teaching, etc.) enhanced my communication, teamwork, and leadership skills.	How satisfied are you with the planning and organization of the village visit?	What was the most valuable learning or experience you gained during the visit?	What suggestions do you have to improve future Unnat Bharat Abhiyan village visits and activities?	
Divya Darshini J	1NH25BA034	Strongly agree	Strongly agree	Strongly Agree	Understanding of rural government schools and teaching skills	More time allotment	
Sushanth	1NH25BA159	Agree	Agree	Strongly Agree	Better understanding of the students' learning environment.	More Interactive Activities	
Vishrutha	1NH25BA177	Strongly agree	Strongly agree	Agree	The other side of life	Give the volunteers more time to interact and conduct activities as 1 hour is very less time	
Chirag Jain N	1st sem 1NH25BA028	Neutral	Disagree	Neutral	Struggle and students intrest towards the learning	Better planning and we couldn't get proper time to conduct something useful for students also next time proper donation or give away from college or students to done with more number of things or anything for the students and we need to spent more than 4 5 hours to teach them or enahe them in any activities where this time we had just 1 hr which was not possible to conduct any activitie	

Arya M J	1NH25BA017	Agree	Agree	Agree	Great experience connecting to kids helping them to improve in some or the other way	Plan more valuable activities for students	
K PAVAN	MBA 1NH25BA056	Agree	Agree	Agree	I learnt how children are and their mindset, how do they see the world	There was no time to spend and do activities we could only get hardly one hour so lending more time would help us in getting more interacted with the students	
Pallavi A	1NH25BA098	Strongly disagree	Strongly agree	Strongly Agree	The village visit helped me understand the real-life challenges faced by rural communities and the importance of sustainable, community-driven solutions. It also improved my communication, teamwork, and problem-solving skills while interacting with villagers.	Future visits could include more interactive activities such as awareness campaigns, skill development workshops, and hands-on community projects. Providing better planning, sufficient time for interaction, and regular follow-up visits would also make the program more impactful for both students and villagers.
