Topic Name

Orphanage Visit and Grocery Donation Programme at Nisarga Grama Orphanage, Hesaraghatta, Bengaluru

Brief Report

The Department of MBA, New Horizon College of Engineering, organised a Social Responsibility Initiative by visiting Nisarga Grama Orphanage in Hesaraghatta, approximately 60 kilometres from Bengaluru city. The objective was to inculcate compassion, empathy, social responsibility, and community service among MBA students while supporting underprivileged children.

Faculty members and MBA students donated essential grocery items including rice, wheat flour, cooking oil, sugar, pulses, salt, spices, biscuits, soaps, detergents, vegetables, fruits, and other household provisions. Students interacted with the children through games, conversations, and motivational activities, creating a joyful experience for everyone.

The orphanage management appreciated the efforts of the Department of MBA. The programme concluded with a vote of thanks, group photographs, and a commitment to continue such community outreach initiatives.

Objectives

- Promote social responsibility and humanitarian values.
- Support underprivileged children through grocery donations.
- Encourage empathy and community engagement.
- Strengthen understanding of CSR through practical exposure.
- Develop leadership and teamwork among students.

Outcome

The programme successfully fostered compassion, teamwork, leadership, and social commitment among MBA students while providing meaningful support to the children of Nisarga Grama Orphanage.
